COLLABORATION SUPPORT TOOLKIT

YOUR NAME:

Use this template to describe a useful resource that helps support effective student collaboration. Afterwards, you'll share the resource you chose with your peers and work together to combine all of the resources that were selected into one giant toolkit for future reference!

SELECT A RESOURCE

Briefly describe the collaboration support resource you chose and provide a link to where it can be found.
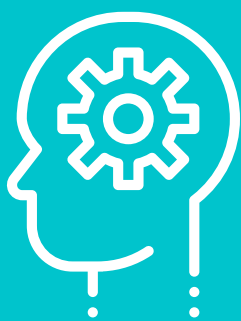

SHARE WHY YOU CHOSE IT

Why did you select this resource? How do you think it could be useful for structuring & guiding collaboration within activities like performance assessments?

IDENTIFY OTHER RELEVANT RESOURCES

What other related resources or strategies could you use to support effective student collaboration that equitably engages students in deeper learning?

REFLECT ON POTENTIAL ADAPTATIONS

How might you need to adapt or enhance this resource(s) for your classroom context?

YOUR COURSE INSTRUCTOR WILL PROVIDE ADDITIONAL GUIDANCE ABOUT HOW TO CREATE A COLLECTIVE TOOLKIT OF SUPPORT RESOURCES WITH YOUR PEERS.
